M e r r y c h r i s t m a s

Hi everyone, well we've come to the end of another busy year. It's been great to see everyone coming along to UPP Club and hanging out with friends.

As you may know I am going on maternity leave and Scott Miller will be taking over my role. We say a sad goodbye to Allison and Kelly who have left us for adventures overseas. But we welcome Carly our new Youth Support Worker who some of you may already know from camp.

I look forward to seeing you all again next year, hope you have a safe and happy holiday and don't forget to stay in touch with friends from UPP Club.

Kind Regards Jacky Muirsmeath.

Don't forget to check out our website next week for photos of our 2006 X-mas disco.
